## MCH Celebrates the Holidays

**Merry Christmas!** We wish you all a very safe and joyful holiday season!

**Special Visitor:** December 18<sup>th</sup> we will not have our regular classes. Be on the lookout for a schedule to come home soon. Students and parents will come into the school to meet our special visitor. Hopefully every child will be able to come for this special day.

**School Snow Cancellations:** School snow cancellations will follow those of the Lewis Central School System. A late start will cancel our morning classes and an early out will cancel afternoon classes. We will try to send out an email and post on Facebook as soon as we know of any cancellations. The hills around the school can often make the road very treacherous. The safety of our MCH families is always our #1 priority.

**Please help your child practice getting dressed for cold weather.** Getting coats, hats and mittens on and off is an important skill for them to learn. As parents, we are often in a hurry, so it's a good idea to practice at a time when you are not in rush to get somewhere, allowing your child plenty of time for success. We also give a *one-time* treat for zipping independently. It is a goal for the children to work towards! Please do not have your child wear boots. We keep the sidewalks clean so boots are not necessary.

**Book orders!** Book orders this month must be submitted by December 1<sup>st</sup> in order to receive them for Christmas. We will try to put them in a bag so your child will not see them before the big day!

**The children will be getting Montessori t-shirts with our logo for Christmas gifts.** We will begin having t-shirt days in January. Once or twice a month the children can all wear their t-shirts on the same day. T-shirt days will be in the newsletter and on the snack calendar.
