

# MCH NEWSLETTER

February 2018

## EVERYONE LOVES MCH

**It is time to register for next year!** Included with the newsletter is a copy of the registration form for 2018-19 school year. This form may also be found on the resources page of our website. These can be turned in starting on February 20th at 8:00 AM. Classes will be filled on first come basis. This is when you should register current students and siblings of current or past students. Please include your registration fee with the form. If you plan to carpool you must have one person turn in registrations for all the children that need to attend on the same days. You will receive a phone call if your first class choice is not available. If you do not hear from me you can assume you have your first choice. If you do not have a preference please note that on your registration so we can accommodate all families as needed.

**Class options:** Ms. Davis' class schedule will remain 5 days, AM or PM for ages 4-6 including kindergarten. The middle room will have a MWF AM class and MWF PM class and a T/TH ALL DAY class. The back room will have a MWF AM and PM and a T/TH AM and PM. There are lots of options available to best meet the needs of your child!

**Typically there is a line of cars formed the morning of registration.** Please pull in as close as possible so we can keep cars off the street. You may wait in your cars. A teacher will come out to the cars to collect registrations at 8:00. In the case of inclement weather (which has happened!) registration will be rescheduled to another date. Please contact Ms. Davis with any questions regarding the registration process.

**Please note a change in drop off and pick up procedures!** As you've probably noticed the slope of the parking lot has created a low lying area that becomes a lake or skating rink depending on the weather. It is a number one priority to keep children, teachers, and parents safe during drop off and pick up. At drop off, please drop off one child at a time in front of the sidewalk leading into the school. At pick up, please pull ahead of the cone so we can do two cars with the second car being ahead of the cone. Thank you for accommodating.

**Valentine's Day parties** will be February 13th (T/Th classes) and February 14th (M-F & MWF classes). Children may bring in a Valentine for each child in the class. Please have the children sign their name on the cards, but do not put their classmates' names on the cards. This helps make passing the cards out a lot easier! Your child's teacher will be sending home more information soon!

Mrs. Davis, Mrs. Thomas, Mrs. Shull, Mrs. Bracker, Mrs. Skokan & Mrs. Hamilton

### Happy Valentine's Day

#### Important Dates

**February 5 & 20**
