

MCH NEWSLETTER

September 2018

WELCOME
BACK

Thank you to everyone who attended our open house! We hope your child enjoyed meeting his/her teacher and new friends. We are very excited to start the school year. We look forward to a wonderful year full of discovering and learning!!

Our newsletter will be sent home each month. A copy will also be placed on the website at mchcb.com. We hope this keeps you informed and connected with events that are going on at school. The website will also have a link to monthly snack calendars for each teacher.

REMINDER: Drinks do not have to be provided for snack. Teachers will provide milk and water. Please do not send individually packaged items. Grains should be whole grain as first ingredient listed. Yogurt needs to be low in sugar. Fresh fruits and vegetables are encouraged. There is also a Diet Modification form on the website to fill out if your child has specific dietary needs.

The handbook is also posted on the website. Please take a moment to go to the website and read through the handbook. Most questions regarding snack, drop off procedures, sick policy, etc. are addressed in the handbook. If you have any additional questions, please feel free to email or call.

Montessori Facebook Page: Please take a moment to search for Montessori Children's House on Facebook and like us! We regularly add classroom pictures, links to wonderful articles and up to date information about what is going on at school! This is a fun and quick way to stay connected!

Scholastic Book Orders: Book orders will be sent home at the beginning of each month. **They are due by the 10th of that month.** Please do not send in orders. All orders should be submitted online. The code can be found under the important dates on each newsletter!

We are eagerly anticipating the first day of school! We have spent time getting the school ready for each child at Montessori Children's House. We have purchased new materials with money donated by the Bellows family in memory of their son, Noah. They donated over \$1000 and MCH matched it. One big item we purchased was a geometric cabinet, it's over \$500 and ours was 40 years old. We also have new golden bead materials for math activities and many other practical life items. We're excited to put them to use. Thank you so much to the Bellows family for thinking of us! We cannot wait for the children to arrive and use these wonderful materials!!

Labor Day

Important Dates

September 1st
Tuition Due

September 4th
First Day of School

"We discovered that education is not something which the teacher does, but that it is a natural process which develops spontaneously in the human being."

~Maria Montessori
